

Building a bright future for myself, my school and my community.

St Mary's CE Primary School

It is widely recognised that a number of children in Key Stage 2 (Years 3-6) may be allowed by parents to walk home unaccompanied by an adult. In order to be sure that the children leaving the school grounds (and therefore the school's care) at the end of the day are doing so with parental permission you are asked to complete and return this note with immediate effect. This note will cover the school year 2016-2017 unless you inform the school otherwise. The form will be kept by the class teacher for reference and filed in your child's file at the end of the school year.

Thank you.

Name of child

Class Name Year.....

I hereby give permission for my child, named above, to walk home unaccompanied by an adult.
