

## Tri-Golf Event

### Wexham Golf Course

12<sup>th</sup> June 2018

A small group of children from Years 3 & 4 participated in a Tri Golf event held at Wexham Park Golf Club.

Ten schools from across Slough took part, the aim of the game being to score as many points as possible to be in with a chance of winning.

Each team rotated around a carousel of 8 Tri Golf skills stations: Grand National, Tunnel Ball, Zone ball, Going for Green, Bullseye, Dominoes, Drive for Show and Finders Keepers.

The activities covered a wide range of golfing skills: putting, aiming, distance and driving, to name but a few.

St Mary's came 9<sup>th</sup> overall but the children demonstrated great sportsmanship – applauding other schools' achievements.

They had a fantastic time and thoroughly enjoyed the experience! They're behaviour was impeccable and were great role models and representatives of our school.

I enjoyed Bullseye the best because I managed to score 10 points! I think it's really nice that everyone got a medal - even if they didn't win.

Sophia

I learnt how to hit the ball straight and hold the different types of golf clubs. I was really focused.

Julia

All the different games we played made learning golf so much fun!
