How to use Mathletics from a computer or laptop:

1. Open the internet browser on your computer and type in Mathletics.

2. Log onto Mathletics using your child's log in details. These are in the front of your child's reading record. If you do not have them, please email your class teacher.

3. Once you have logged in the screen looks like this. Click on the activity/activities that has been assigned to your child.

- Complete the activities assigned to your child. Different types of questions will require you to do different things. Use your keyboard on your laptop or use the mouse to use the screen number pad to insert your answers. **DO NOT** forget to click submit.
