Maths

fractions

Tiny is looking at these bar models.

One part of each bar is shaded. They all show the same fraction.

Do you agree with Tiny?
Explain your answer.

Which shapes show $\frac{1}{4}$?

How do you know?

Find another way to show $\frac{1}{4}$

3 Complete the sentences for each shape.

The whole is split into equal parts.

The denominator is

The fraction shaded is $\frac{1}{\text{input}}$

Grammar and Punctuation

Contractions: rewrite the text with contractions

Dear Diary,

I will go to the park tomorrow with my mum and dad. I hope that they will pack a delicious picnic for us to enjoy. Then, I will go on the swings. Last time I could not swing by myself. But this time I will try. I hope that the weather will be good and it does not rain. I am so excited I can not wait!

From,

Jenny
