Cleopatra was the last ruler of the Ptolemaic Kingdom in Ancient Egypt. She was well-educated and fluent in several languages. She was the first of her line to learn the Egyptian language. It was during her reign that an alliance was formed with Julius Caesar, a Roman emperor, in 48BC. Her younger brother was named Ptolemy XIII and at one point in time they were co-leaders. Unfortunately, their relationship soured. As they fought, this led to a civil war; it was devastating for many civilians.
