Maths

Addition & Subtraction Word Problems

1. Ms Sarkar baked 456 cupcakes. She sold 389. How many cupcakes does she have left?
2. Mr Bradley planted 89 flowers on Monday, 24 flowers on Tuesday and 37 flowers on Wednesday. How many flowers did he plant altogether?
3. Mrs Aguilar is driving to Spain. The total distance is 1862km. She has travelled 1240km so far. How many km does she have left to travel?
4. Miss Cresto placed 280 books on one bookcase and 370 books on another. How many books did she place on both bookcases?
5. Mr Heaton and Mr Plumley were running a half-marathon. Mr Heaton completed the race in 127 minutes. Mr Plumley completed the race in 158 minutes. How many minutes faster was Mr Heaton than Mr Plumley.

English

In English soon we will be writing about a historical figure. We will be writing about a famous pharaoh from Ancient Egyptian times called Tutankhamun.

Research Tutankhamun and answer the following questions:

- When was he born?
- Where did he live?
- How old was he when he died?
- Where was he buried?
- What was his job?
- Was he liked or disliked?
