

English

As authors we will read the fictional stories, 'We're Going on a Bear Hunt,' and 'Goldilocks and the Three Bears.'

Using this text, pupils will learn to write:

- By leave spaces between words
- Using basic punctuation: ? . !
- Using capital letters for proper nouns and the start of a sentence
- Composing sentences orally before writing
- Adding the prefix un-
- Reread and editing writing with a peer or teacher

Reading skills pupils will focus on are:

- Linking reading to own experiences
- Joining in with predictable phrases
- Discussing significance of title and events
- Making simple predictions

Maths

As mathematicians, pupils will learn about: Geometry and Measurement.

Money and Time:

- To recognise and know the value of different denominations of coins and notes
- To sequence events in chronological order
- To recognise and use language relating to dates including days, weeks, months and years
- To tell the time to the hour and half past the hour and draw the hands on a clock face

Position and Direction

- To describe position, direction and movement, including whole, half, quarter and three quarter turns

Science

As scientists, pupils will learn about: Materials.

Pupils will be taught to:

- To distinguish between an object and the material from which it is made
- To identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock
- To describe the simple physical properties of a variety of everyday materials

Scientific Enquiry Skills:

- To use their observations and ideas to suggest answers to questions
- To observe closely, using simple equipment.
- To identify and classify

Computing

As computer scientists, pupils will learn about: Creating Media – Digital writing.

Pupils will be taught to:

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content

Basic Computing skills:

- To open word processor
- To recognise and use keys on a keyboard
- To enter text into a computer
- To input letters, numbers and use backspace and spacebar successfully.

Music

As musicians, pupils will learn to Have Fun with Improvisation.

Pupils will:

- Use their voices expressively to sing songs, chants and rhymes
- Experiment with, create, select and combine sounds using the inter-related dimensions of music

Curriculum Overview

Year 1

Summer Term 1

Continuous Provision

Independently, pupils will learn to:

- Explore money, time and position and direction practically outside
- Use phonic knowledge to read and write for pleasure
- Develop gross and fine motor skills using indoor and outdoor resources

History

As historians, pupils will learn about: Queen Elizabeth II and the Commonwealth Countries.

- Lives of significant historical figures, including comparison of those from different periods
- To study local people

Art

As artists children explore the world about them as a way to begin to understand the concept of "print".

Children use their own bodies, then things they collect around them, to create a variety of prints. They use their hands and feet to make prints, and they take rubbings of textures from the environment around them. They make "plates" by making impressions in plasticine, and then by using printing foam.

They explore how they can build up images by creating multiples, and use line, shape, colour and texture to explore pattern, sequencing and symmetry

PE

As physical educationalists, pupils will learn about: Movement and Games.

Interpersonal skills pupils will focus on are:

- Listening carefully and following instructions
- Thinking about what you have done well in the lesson
- Starting with simple movements and gradually adding more difficult ones

Physical skills pupils will focus on are:

- Basic movement e.g. running, jumping, throwing, catching, balance, agility & coordination
- Participating in team games
- Perform dances using simple movement

RE & PHSCE

As theologians, pupils will learn about: RE: Shabbat

- To learn what Shabbat is
- To learn why Shabbat is important for Jewish people

PHSCE: Relationships

- To learn about important relationships with my family and friends
