

English

As authors we will write recounts about 'Sports Day' and 'Herschel Park' and read and write concrete poetry.

Using this text, pupils will learn to write:

- Using basic punctuation: ? . !
- Using capital letters for proper nouns and the start of a sentence
- Past and present tense
- Composing sentences orally before writing
- Sequence sentences to form short narratives
- Reread and editing writing with a peer or teacher

Reading skills pupils will focus on are:

- Listen to and discuss fiction and poems.
- Joining in with predictable phrases.
- Learn to recite rhymes and poems.

Maths

As mathematicians, pupils will learn about: Multiplication, Division and Fractions.

Multiplication and Division:

- To count in 2s, 5s and 10s
- To solve one step problems involving multiplication and division by using objects, pictures and arrays with a teacher

Fractions:

- To recognise and name half of an object, shape or number.
- To recognise and name one quarter of an object, shape or number.

Science

As scientists, pupils will learn about: Materials.

Pupils will be taught to:

- To distinguish between an object and the material from which it is made
- To identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock
- To describe the simple physical properties of a variety of everyday materials

Scientific Enquiry Skills:

- To use their observations and ideas to suggest answers to questions
- To observe closely, using simple equipment
- To form a fair test

Computing

As computer scientists, pupils will learn about: Programming animations.

Pupils will be taught to:

- understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions
- create and debug simple programs

Basic Computing skills:

- To choose and give a command for a purpose
- To join a series of commands together
- To design parts of a project
- To delete and amend a command

Music

As musicians, pupils will learn to Explore Sound and Create a Story.

Pupils will:

- Use their voices expressively to sing songs, chants and rhymes
- Experiment with, create, select and combine sounds using the inter-related dimensions of music

Curriculum Overview

Year 1

Summer Term 2

Continuous Provision

Independently, pupils will learn to:

- Explore multiplication, division and fractions practically
- Use phonic knowledge to read and write for pleasure
- Develop gross and fine motor skills using indoor and outdoor resources

Geography

As geographers, pupils will learn about: what homes in hot climates are like.

Pupils will be taught to:

- To name, locate and identify the characteristics of the four countries and capital cities of the United Kingdom
- To identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

Geography skills pupils will focus on are:

- To use basic geographical language
- To use atlases, maps and globes to identify countries

DT

As chefs, pupils will: 'Design, make and evaluate a healthy popsicle (using fresh fruit grown from a hot climate) for a person who lives in a hot climate to cool them down.'

As designers, pupils will: Design, make and evaluate a junk model house.

Pupils will be taught to:

- Use the basic principles of a healthy and varied diet to prepare dishes
- Understand where food comes from.
- Use a range of materials.
- Design, generate, explore, create and evaluate their own designs using materials.

PE

As physical educationalists, pupils will learn: Mini Tennis.

Interpersonal skills pupils will focus on are:

- Listening carefully and following instructions
- Thinking about what you have done well in the lesson
- Starting with simple movements and gradually adding more difficult ones

Physical skills pupils will focus on are:

- Basic movement e.g. running, jumping, throwing, catching, balance, agility & coordination
- Participating in team games

RE & PHSCE

As theologians, pupils will learn about: RE: Hanukkah

- To learn what Hanukkah is
- To learn why Hanukkah is important for Jewish people

PHSCE: Changing Me

- To learn about human life cycles
- To learn about changes in me
- To learn about the differences between male and female bodies, including terminology
