

cube  
 cuboid  
 octahedron

square based pyramid  
 triangular based pyramid  
 triangular based prism

pentagonal based prism  
 hexagonal based prism  
 octagonal based prism

**1** Complete this table showing the properties of the above polyhedra.

SHAPE	FACES	EDGES	VERTICES
octahedron			
			12
cuboid			
	4		
		12	
	10		
			10
		8	
			6

**2** Use a set square.  
 Make a net for this closed cuboid.
