Saba Khan

Staff Governor

Appointed: September 2024

Head teacher Appointed as ex-officio governor and Head Teacher 1st September 2024 I joined St Mary's in 2004 and have loved being part of the school's journey.

I have taken responsibility for my development and have seen my career flourish since those early days. I enjoy learning and embrace self-development; I see challenge as a welcome opportunity to learn and grow from. I am proud to be part of a rewarding and stimulating profession that supports children to flourish so that they can live life in all its fullness. I uphold ambitious educational standards and work as part of the Headship Team with the Senior Leadership Team and governing board to promote a respectful and positive school culture that embodies the school's vision. I firmly believe that all children should receive the very best education, and that it is our job to ensure that this happens. As a board, we seek continuous school improvement, in line with the school's vision, that benefits all stakeholders and remains rooted in child centred decisions.

An equally important and precious part of my life is my family. I have a highly supportive husband, wonderful son and an amazing daughter. As a family, we enjoy travelling and encourage and support one another to step boldly forward.
