Musa Ali

Staff Governor

Appointed: 11th October 2024

Dear parents and carers,

It is a pleasure to introduce myself as the newly elected staff governor for the school's governing body. I joined St Mary's in 2017 after completing my initial NQT years at IQRA Primary school. Over the years I have spent working as a teacher, I have been fortunate to have had a number of opportunities to develop my own practice as teacher and contribute to the school's mission of helping children to learn, grow, achieve and flourish.

In terms of teaching experience, I have taught across Key Stage 2 and am currently teaching in year 4. As part of my role as a subject lead, I have had experience delivering history/geography in Key Stage 1.

Like all my fellow colleagues – be they support staff, administration, or teaching staff - we all have a personal stake in supporting the school's development. Since joining the school, I have taken on varied leadership roles – each of which I have enjoyed. This has included:

- Subject leadership in humanities (history and geography)
- Designated Safeguarding Lead
- Homework lead
- Eco Warriors lead

As a staff governor, I look forward to collaborating with the rest of the Governing body to ensure that the children are provided with the best, high quality education in a nurturing environment. Outside of work, I enjoy gardening in my allotment, spending time with family, learning languages and playing football.
