Sarah Chaudhry

Parent Governor

Appointed: 21st March 2023

I joined St Mary's as a parent governor in April 2023. I have two girls attending the school and feel like even making a small difference in a child's life would be so rewarding. My father was a governor at my primary school, and the importance of an input and a voice has been instilled in me from back then. I have been in Slough ten years, moving from Birmingham where I was born and bred. I have spent my adult years working in Retail Buying, before taking a long hiatus to raise my girls.

During Covid, I started my own home bakery business, and this has since flourished nicely. I am working part time now as well as being a home maker and running the business. I feel that now more than ever, is a critical time to be involved in our children's futures. There are constant changes in the curriculum and education sector and a school like St Mary's requires a diverse voice. My lack of education experience will only strengthen my perspective as a governor, bringing a fresh viewpoint, with the aim of making a positive difference in our children's education.
