## **SABA WAQAS**

### **Parent Governor**

***Appointed September 2024***

I was appointed as a Parent Governor in July 2024 and I have two sons that are currently in Year 3 and Year 1 respectively. I am very excited about working with the wonderful team at St Mary's Church of England Primary School.

I have done my Graduation in Computer Sciences. I have been worked as Customer Support Officer in AJ WorldWide Services Pvt Ltd. And Asia Logistics for a short period in 2016. I have a particular interest in Education, and I truly believe that all children can achieve personal success and make great progress when provided with an enabling environment and high standards of teaching. I have keen interest in learning new skills and do anything for the betterment of community. I feel very grateful to be given the opportunity to contribute as a parent to this Governing Body.

As a Parent Governor, I hope to play a role in the continued success of the school, ensuring the best possible outcomes for all pupils.
